Name: _____ Per. _____

Assignment Sheet

Date	Assignment Title	Points Earned	Points Worth	TOTAL Points	Percentage (Average)
	Course Outline		25	/25	
	Student Data/Counseling Sheet		25	/50	
	How to Be Successful		10	/60	

How to Determine Your Grade:

1. Add your earned points from each assignment.
2. Add the points each assignment is worth.
3. Divide the total earned points / by the total points worth X multiply by 100 to get your percent
